smganzer.github.io says:

Thank you for taking the time to review this project. Please open it in the iPhone 6 viewport of google chrome by right clicking, and selecting inspect. Or view this on an iPhone. My goal in this project is to create a safer school environment for middle school children.
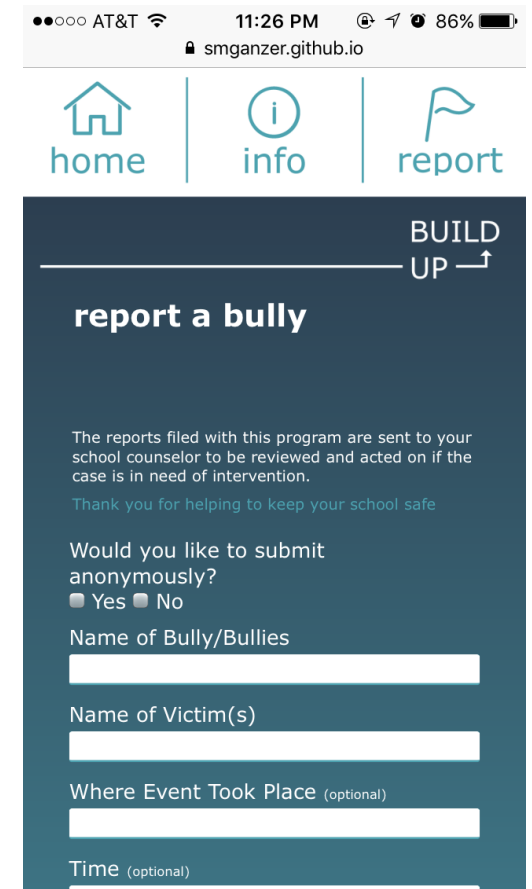

OK

How can I avoid being bullied?

What are the warning signs of bullying?

What can I do if a friend/family member/significant other is bullying me?

report a bully

The reports filed with this program are sent to your school counselor to be reviewed and acted on if the case is in need of intervention.

Thank you for helping to keep your school safe

Would you like to submit anonymously?
☐ Yes ☐ No

Name of Bully/Bullies

Name of Victim(s)

Where Event Took Place (optional)

Time (optional)

challenges

- Databases
- Knowing my audience
- Clean style
- Login
- Anonymity for reporting

what helped

- Design inspiration: weather app, sweat app
- Concept inspiration: stopIt, ICanHelp
- Feedback: teachers, a principal and kids (middle and high school)
- Clearing items that would conflict

testing is the key
process is everything
